To the Legislative Assembly of Victoria

The Petition of Residents of Victoria

draws to the attention of the House that

THE CANTERBURY RD HEATHMONT RAILWAY BRIDGE NEEDS BETTER PEDESTRIAN PROTECTION.

Since the Andrews Labor Government narrowed Mountain Highway in Bayswater, traffic (especially truck traffic), on Canterbury Road in Heathmont has increased dramatically.

Bad accidents are occurring and the fencing panels, meant to protect pedestrians on the bridge above the rail lines, are constantly destroyed.

The petitioners therefore request that the Legislative Assembly of Victoria

Calls on State Government to have VicRoads urgently replace the fence with something much stronger and safer.
