To the Legislative Assembly of Victoria

The Petition of Residents of Victoria

draws to the attention of the House that

A PEDESTRIAN CROSSING SHOULD BE INSTALLED ON FOREST ROAD in The Basin.

There are multiple schools, nursing homes, and young families in the area, but no crossing. We want a crossing before a tragedy occurs.

The petitioners therefore request that the Legislative Assembly of Victoria

Requests VicRoads to provide the necessary funding to install a suitable and safe pedestrian crossing on Forest Road near Wright Street.
