Bayswater Clubs to be among state's best dressed

- **311 clubs share in over \$300,000 statewide**
- **Funding to keep sport accessible to all and build a more active Victoria**

Bayswater District MP Heidi Victoria was pleased to announce the successful recipients of funding as part of round two of the state government's Sporting Uniforms Grants Program.

Various Bayswater District Clubs are among 311 statewide to share in more than \$300,000 worth of funding towards rejuvenating their club colours.

Ms Victoria said Bayswater Park Cricket Club, the Eastern Raptors Rugby League Club, Knox Triathlon Club, Ringwood Golf Club and the Ringwood Water Polo Club will receive up to \$1000 towards club uniforms.

"A uniform is essential for most sporting clubs, by contributing funds for uniforms a crucial cost barrier for participation is removed," Ms Victoria said.

"This grant not only provides a boost for these clubs, but ensures more members of the community will find sport accessible."

Eastern Raptors Rugby League Club and Ringwood Golf Club each receive \$1000, Bayswater Park Cricket Club will get \$891, Ringwood Polo Club \$742 and Knox Triathlon Club \$700.
