LABOR REFUSES TO LISTEN TO THE BAYSWATER COMMUNITY!

Heidi Victoria member for Bayswater has tabled in Parliament a staggering 2,500 signatures on a petition requesting the Andrew's government to not reduce the lanes on Mountain Hwy Bayswater by 33%, as part of the Bayswater Level Crossing Removal project.

"It is abundantly clear that the Bayswater Community do not want this traffic restricting change, however Daniel Andrews and his government are refusing to listen to people in the outer Eastern Suburbs. It is clear that Daniel Andrews does not care about them"

"Removing lanes on a major thoroughfare in this day and age is absurd, and is already leading to traffic chaos. Removing one obstacle and inserting another is beyond my comprehension. When will common sense prevail and the Labor government listen to the Bayswater community and those that use this road consistently?"

Ms Victoria has brought this up in Parliament on at least 18 occasions but has not received a single response from the Premier or Minister for Roads and Roads Safety.
