## **Light Shines on Sasses Avenue Reserve, Bayswater**

Heidi Victoria, Member for Bayswater, is delighted to announce that the Victorian Coalition Government has granted Knox City Council \$71,000 to install much needed floodlights to the three sports fields at Sasses Avenue Reserve, Bayswater.

“The installation of the floodlights will be a great addition to the Sasses Avenue Reserve and will continue to cater for the growing clubs and recreation activities in the Bayswater and surrounding areas” said Mrs Victoria.

“This funding will give local football, rugby and cricket clubs the opportunity to expand their memberships by providing quality sport facilities that the whole community can enjoy by bringing people together, and getting them involved in not only sport but also community events,” she said.

The Coalition Government will continue to ensure that local people have access to high quality sport and recreation facilities in order to get more people, more active, more often.
