NATIONAL WALK SAFELY TO SCHOOL DAY

Friday 24 May 2013 is National Walk safely to school day. Heidi Victoria, Member for Bayswater District encourages local families to take part by walking to school with their children on this day.

This community event aims to promote road safety, health, public transport and the environment.

25% of our children today are overweight or obese and this is expected to increase in the next decade unless children become more physically active and improve their diets.
